

NOBLE LEADERSHIP ACADEMY

NLA QURAN VISION

Every Noble graduate will be an independent, life-long reader, memorizer, and companion of the Quran Inshallah!

Every Noble graduate will develop the skills to learn, love, and live the Quran on a daily basis.

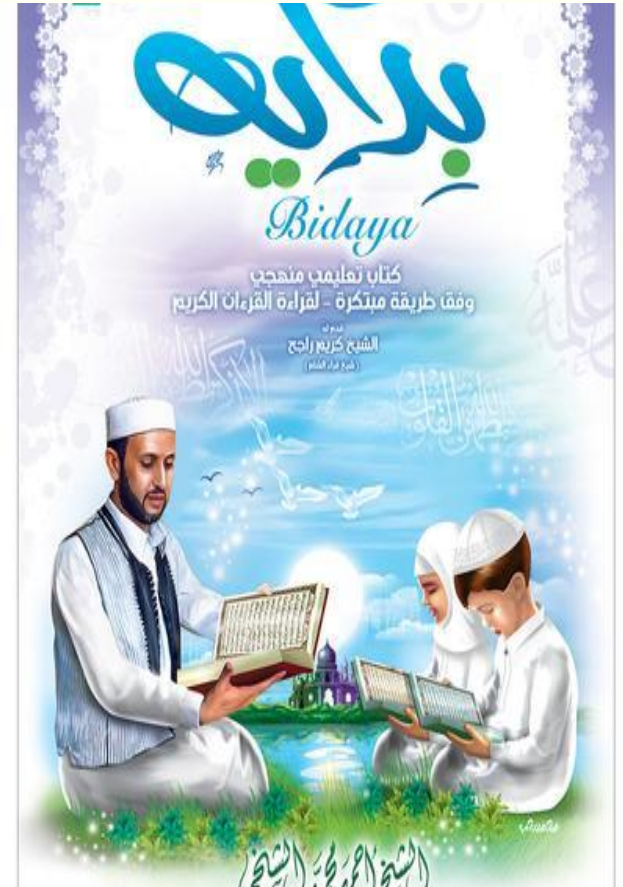

RESOURCES?

- **We are using a book that was recognized and approved by many institutions and renowned Quran scholars.**
- **The book is titled: “ Bidaya” and it is authored by Sheikh: Ahmad Muhammad Al Sheikhy who himself has been teaching Quran for more than a decade in Europe and the United States.**

THE BOOK

- >The book is broken into 8 main lessons and follows a systematic theme and method of teaching.
- >Each lesson has an exit test where students have to score a specific percentage in order to pass to the next levels.
- >After passing all the levels, the book offers examples of selected Surahs that address keys reading skills that the students should have mastered by the time they have successfully completed the book.

How long does it take for the students to start reading from the Quran?

The Quran Department works with the students individually based on their level. It takes an average of 2 years before the students master the Bidaya book and start reciting from the Quran.

WHAT'S THE ROADMAP?

- **Noble will Insha'allah graduate Huffath of the holy Quran once the program is established and proven successful.**
- **The dedication of the students and their parents are keys components of the whole process**
