

Cell Phone Policy:

Cell Phones must be placed in a locked cell phone box in homeroom class and can be collected from the classroom at the end of the day (or when students are allowed to sign out for lunch in the case of 11th and 12th graders).

Students caught with a cell phone during the school day (including a ringing cell phone from a bag or locker or pocket) will be confiscated and can only be released to a parent/guardian at the end of the day. Students will also serve one after school detention per infraction.
