

Noble Leadership Academy Uniform Policy

Grades K through 12th are required to wear a uniform daily. As partners in your child's educational experience, we hope that our parents can assist us with the adherence of the uniform policy by monitoring that all students are in the correct uniform daily.

Our expectation as a school is that we are working together to ensure this policy is followed and minimize all issues with uniforms. Parents should be checking uniforms daily prior to your child/children leaving for school to avoid any issues concerning the uniform once the student is in school. We encourage all parents to print out the policy for easy reference.

School staff will be checking that each student is wearing the correct uniform at the door.

- Students in KG-3rd grade who are found in violation of uniform policy, will be warned by the teacher 3 times. At the 4th violation, the student will be given a new uniform by the school and the parent will be charged.
- Students in 4th-12th grade who are found in violation of the uniform policy will be subject to one of the following:
 - Parents can return to the school with the correct uniform before 10:00 AM.
 - If a parent cannot return, then the student will be serving a one day detention.
